

# Can you spot a Rising Star?

Support young talent in your team

The **Rising Star Awards** is the largest awards programme for people aged 18-30 in our industry.

Is there someone in your team that has great potential? Encourage them to apply and receive funding of up to **£1500** towards training to develop their skills and career ambitions.

Funding can be applied to personal and professional development, including:

-  Presentation skills
-  Resilience training
-  Professional qualifications
-  Developing specialist skills
-  Leadership and management training

## Supporting their application

Rising Star funding is not designed to replace the essential employer training necessary for someone to fulfil their role, and we encourage all applicants to talk to their manager or HR to make sure what they are applying for isn't already covered by their employer.

Award winners tend to have well thought out training choices and an understanding of how it will benefit them and the company.

## How to apply

Every company has its Rising Stars. Encourage them to apply and help them receive the recognition they deserve and an invite to our House of Lords event. Applications close 3rd May 2022.
